IPA ADRION OPERATIONS OF STRATEGIC IMPORTANCE

Workshop on EUSAIR implementation

20-21 May 2025, Ancona

AGENDA

Venue

Marche Regional Authority (Palazzo Li Madou, Sala del Parlamentino) located in via Gentile da Fabriano n. 2/4 (meeting in person)

Participants

Delegations representing Lead Partners of ISO1 Strategic Projects – EUSAIR Governance Point

Moderation

Ilze Ciganska and Baiba Liepa, Interact

Objective

Jointly refine, align, and operationalise EUSAIR implementation formats and collaborative governance mechanisms. Clarify cooperation approaches among EGP partners.

Coffee/tea breaks will be adjusted as needed.

20 May 2025	
9:00 – 9:30	***Registration***
9:30 – 10:00	**Welcome and recap** Reminding of what has been discussed in earlier workshops and the focus of this workshop
10:00 – 13:00	**Impact pathways as a framework to map the EUSAIR implementation formats** - **Impact pathways as a framework for the EUSAIR implementation** *Objective: To introduce the impact pathways framework as a tool to plan and visualise how EUSAIR implementation formats contribute to long-term objectives, highlighting what depends on MRS efforts and where success relies on external factors.* - **The EUSAIR implementation formats: what we found in the documents**

10:45-11:00 coffee break	• **What EUSAIR implementation formats exist – demonstrating the existing definitions and format mapping** - **Forming shared understanding about each implementation format – work in groups** *Objective: The aim of this block is to build a shared understanding of EUSAIR implementation formats by working in groups. The discussion will focus on defining and clarifying implementation format purpose, development, and use; explore interdependencies; and formulate key messages to the stakeholders in this way helping to build deeper understanding about the format.* *Questions for the group discussion:* • **What is this implementation format – its definition** (using the existing definitions as a starting point)**?** • **What is the purpose of this implementation format** (focusing on the general discussion, not per pillar)**?** • **How is this implementation format developed and implemented?** - *who initiates, how;* - *who approves;* - *who implements, how it links to governance stakeholders;* - *who monitors.* • **What would be the key messages to the stakeholders working with the implementation format?** - *to EUSAIR key governance stakeholders;* - *to funding programmes.*
13:00 – 14:00	***Lunch***
14:00 – 16:30 Around 15:30-15:45 coffee break	**Sharing outcomes of the group discussion: joint reflection** *Objectives: To present and discuss group outcomes, using the defined messages to explain each implementation format to others, and jointly reflect on what might be added or adjusted to make the formats clearer and more operational.*
16:30 – 17:00	**Wrap-up and closing of the Day**
19:00 – 21:00	***Social dinner***
21 May 2025	
8:45 – 9:00	***Gathering and welcoming***
9:00 – 9:15	**Introduction to Day 2**
9:15 – 11:15	**Designing touching points for the joint work with stakeholders on implementation formats**

11:00 – 11:15 coffee break	*Objective: Continuing in the same groups as on Day 1, build on the initial identification of core stakeholders for each implementation format by exploring how EGP projects engage with them – mapping key touchpoints, support functions, and services provided.* **Discussing potential improvements for the joint work: capacity building, communication, stakeholder engagement, development of implementation formats, and other tasks** *Objective: To discuss potential improvements for joint work across EGP projects – focusing on capacity building, communication, stakeholder engagement, and the development of implementation formats – while exploring how to better coordinate functions (FP, SP4EUSAIR, STEP) and align processes with embedding and multistakeholder dialogue.*
11:15 – 12:50	**Joint reflection, agreements and next steps** *Objective: To reflect on the proposed improvements for joint work across EGP projects and better coordination of the functions.* *The session is open for participation for online participants.*
12:50 – 13:00	**Wrap up and closing the workshop**
13:00 – 14:00	***Lunch***
